The program will feature a presentation by Dr. Vijay Chatoorgoon. Dr. Vijay Chatoorgoon is a Professor of Aerospace Engineering at the University of Manitoba, Canada and teaches, in addition to Engineering, Eastern Philosophy and Meditation. The spiritual teaching is a result of a directive by his Guru to teach Spirituality and continue an act he did in previous lives.

His life is filled with miracles and unusual happenings and his talk will focus on Unity of Faiths. He was told when he was 20 years old that death would occur in 1997, but he did not believe it until it actually happened. Having died on the operating table in August 1997, he was brought back to life by his Guru, Sai Baba, and was told that His life's mission now is to teach Spirituality -- specifically about Dharma (Righteousness) and Karma (action).
