### [Covid-19 Guidelines for Unity Center Milwaukee](#)

It's evident that Covid-19 will be with us long term. It is a loving act to do all we can to keep our most vulnerable safe.

We've put together guidance for our members/guests based on the CDC and Wisconsin Council of Churches recommendations.

We will be posting the current risk level on the front and parking lot doors for each of us to check as we enter the building.

The mitigation recommendation for the current level will be posted as well. Watch for these postings on the doors.

Unity values all our members and visitors. We recommend that those who are at greater health risk or are protecting loved ones at risk wear a mask.

Unity values your health. Your choice is affirmed by our community.

There will be a designated 'covid-19 safe' area within the sanctuary.

This area will be reserved for masked only people. The area creates a zone to respect the needs of the most vulnerable among us making it possible for safe in person attendance. We ask that those who chose not to mask choose another area during service.
