Time: 6:30 – 8:00 PM (CST)

Please let us know if you will be joining the class by adding your name and email to the sign-up sheet found in the lobby.

How do our thoughts affect our circumstances, or do they?

What do the Ten Commandments given to

Moses have to do with Prosperity?

Please join us in the study and discussion of Prosperity's Ten Commandment by Georgiana Tree West.

This will be a six-week virtual (Zoom) and interactive class, beginning the first Wednesday in February 2024.

Through study and discussion, we will explore what first lead Mrs. West to seek Truth teaching, and how Truth moved her into a higher state of consciousness (a Prosperity Consciousness) that ultimately led her to overcoming poor health and resolution of her husband's financial challenges.

Through discussion and applying the Truth presented by Mrs. West, the intent of this class is to assist each of us in developing a higher state of consciousness that enable us to have “peace of mind, health of body, and abundant well-being in all our circumstances.” In other words, assist us in developing and living a consciousness of Prosperity.

In the words of one of the Truth teachers that assisted Mrs. West in developing a prosperity consciousness, “If you ever have to go through hell, make it pay you!”
